

Draft:*The Bag* (2024 film)

*This draft may meet Wikipedia's **criteria for speedy deletion** because in its current form it serves only to **promote** or publicise an entity, person, product, or idea, and would require a **fundamental rewrite in order to become encyclopedic**. However, the mere fact that a company, organization, or product is a page's subject does not, on its own, qualify that page for deletion under this criterion. This criterion also does not apply where substantial encyclopedic content would remain after removing the promotional material as *deletion is not cleanup*; in this case please remove the promotional material yourself, or add the {{advert}} tag to alert others to do so. See **CSD G11**.*

If this draft does not meet the criteria for speedy deletion, or you intend to fix it, please remove this notice, but **do not remove this notice from pages that you have created yourself**.
